

Bluetooth® Mini Mouse

Based on the successful BT500 Bluetooth super mini mouse, the BT510 Bluetooth mini mouse keeps all features of BT500 but also enhance the spare USB power supply and reversible button function heard from customer's voice. The BT510 provides the user an spare USB power supply from desktop/ laptop computer while running out the batteries. Additionally, the reversible button function provides both right-hand and left-hand user the same feeling without installing any third party software.

Moreover, the whole new industrial and mechanical design makes BT510 Bluetooth mini mouse more compact, comfort, and easy to use.
